

BIKES ON TRANSIT SERVING SJSU

VTA

VTA buses have exterior bike racks that accommodate two bicycles. When the racks are filled, up to two are allowed inside the bus, subject to the driver's discretion. All light rail vehicles have interior bike racks that accommodate four bicycles.

HIGHWAY 17 EXPRESS

These buses are equipped with front-mounted racks for three standard-size bicycles.

CALTRAIN

Each bike car can carry a maximum of 24-40 bicycles. The bike car is located in the middle and northernmost end of the train.

BART

During non-commute hours, bikes are allowed on all trains except for the first car. During commute hours, bikes are not allowed in the first 3 cars. Folded bikes and scooters are allowed in all cars at all times.

ACE

Each bike car has 14 bike stalls with two additional stalls on the lower level. Look for the BIKE CAR sign affixed to door locations of the car.

AMTRAK

Standard full-size bicycles may be carried on and stored onboard in bicycle racks on selected trains. Each train has different equipment and loading procedures that dictate what service will be offered, check online for the bicycle services that fit your trip.

BIKING ON CAMPUS

1. Always yield to pedestrians.
2. Ride at a safe speed, not to exceed 5mph.
3. Always be aware of your surroundings and others around you while riding.
4. Dismount from your bike in posted dismount zones.
5. Do not ride on stairs, ramps, railings, vegetation, benches, tables, planters, or inside buildings.
6. Do not lock your bike to trees, poles, handrails, fences, or other campus property.
7. E-bikes and other motorized vehicles are not permitted to be ridden throughout campus.

BIKING ON THE ROAD

1. Always wear a helmet.
2. Pedestrians have the right of way. Bikes and cars always yield to pedestrians.
3. Stop behind the line at the crosswalk. Leave crosswalks clear for pedestrians.
4. Mind the traffic signs and lights. Stop at stop signs. Obey red lights.
5. Go with the flow, ride in the same direction as traffic. Walk your bike on the sidewalk if you're on the wrong side of a one-way street.
6. Take the lane. When riding next to parked cars or in a narrow lane -if you feel safer, take the lane and ride outside the door zone.

BIKE PARKING

You can park your bike at any open rack or in any of the six enclosures on campus for additional security.

HOW TO SIGN UP

- Visit ts.sjsu.edu and search for bicycle enclosures on the Bike to SJSU page.
- Complete the agreement form and submit it to AS General Services (Student Union, Room 1800).
- Present your Tower ID and pay the bike key fee.

USING THE ENCLOSURES

- Hold the access key near or behind the sensor and wait for the green light to open the enclosure door. Do not allow anyone to enter with you.
- Close the door promptly when you enter or exit. Report all suspicious activity to University Police (408.924.2222).
- Use a U-Lock and lock your bicycle's frame and wheel to the bike rack.
- **Bicycle enclosures are not intended for overnight or long-term uses.**

HELPFUL RESOURCES

- Shower facilities are located at the SRAC Center and Spartan Complex. Membership is required for special session students and employees at the SRAC.
- Local Bike shops near campus include Bicycle Express, San Jose Bike Clinic, and Good Karma Bikes.
- If you want to rent a bike, Lyft Baywheels is a short-term bicycle rental service with stations located on the perimeters of campus and throughout downtown. SJSU discounted memberships are available.
