Frequently Asked Questions

You may use coursework from the Fall 2025 term to complete admission requirements. You must submit final, official transcripts showing all work completed through Fall 2025 by Thursday, January 15, so that we can verify you have met admission and impactation requirements for the Spring 2026 term.

Register for Classes

You will register for classes in your MySJSU student account once you have an enrollment appointment.

Registration Appointments

You will register for classes during orientation if you have submitted all official transcripts by the date posted on your MySJSU “To Do List.” Send official transcripts to verify your eligibility to enroll as early as possible to minimize delays in the assignment of your enrollment/registration appointment.

Spring Orientation (Mandatory)

To maintain your eligibility to enroll, you must attend your scheduled spring orientation.

Registering for Courses

Sign in to one.sjsu.edu and search for “MyScheduler”. MyScheduler (sjsu.edu/classes/register/myscheduler.php) will allow you to pre-plan your course schedule and send that schedule to MySJSU to complete enrollment once your enrollment appointment opens.

Registration Holds

If you have a registration hold, log in to MySJSU and go to “self-service”. Look for the “Hold” box on the left navigation pane or “Hold” button at the top right column. Click on each “Hold Item” in the column and read the instructions on how to resolve your hold. If you do not have a hold, you may begin to register during your appointment time. You do not need to come in person or call us to register.

Late Registration

After the initial registration period (Advance Registration) ends, you may still register, but not until the first day of instruction. Late registration is dependent on the space available. Getting the classes you want may be very difficult.

What will I need to register for classes?

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment
- The SJSU Catalog, which contains descriptions of classes and major and minor requirements, is available at catalog.sjsu.edu

Once I’ve registered, can I change my schedule?

If work or family obligations require you to change your schedule, you may make changes to your class schedule before the last day to add/drop classes.

Important note: Before dropping/swapping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. If a course you want is full, search for open sections via MySJSU. Or, place yourself on the class waitlist. It is not guaranteed that you will be able to enroll into waitlisted courses.

Can I still get academic advising in the Student Success Center if my transcripts have not been fully evaluated?

Yes. The advisors will advise you on general university expectations and graduation requirements, including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made. This is essential if you plan to graduate in a timely manner.

What if I don't register for the Spring 2026 semester?

Your admission is only good for the Spring 2026 semester. If you do not register for classes for Spring 2026, you will lose your admission and will have to reapply for the next available term.

Therefore, the CSU reserves the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Third Party Sponsors

If a Third Party Sponsor, such as a foreign government agency or business and/or educational institution, agrees to sponsor you by paying your tuition and fees, please get an authorization letter from the sponsor specifying how much of your tuition they will cover and for which semesters. Submit the authorization to SJSU's Bursar's Office, Attention: Third Party Sponsor or email the authorization to: student-sponsors-waivers@sjsu.edu and retain a copy of the letter for your records.

The Bursar's Office will invoice the sponsor as appropriate for tuition and fees after the add/drop period as long as the sponsored student is registered and has submitted a current letter of authorization. Learn more at sjsu.edu/bursar/our-services/waivers-sponsors/3rd-party.php

Scholarships

Scholarships are available to international students through SJSU's Financial Aid and Scholarship Office. International students are only eligible for scholarships that are merit-based. Need-based scholarships are part of financial aid, which is unavailable to international students.

To get more information on scholarships, visit the SJSU Financial Aid and Scholarship Office at sjsu.edu/faso

Installment Payment Plans

There are two installment plans, one for tuition and fees and one for on-campus housing. There are enrollment fees to participate in each.

Please note: Students are not able to sign up for the payment plans until charges actually appear on their account for either tuition and fees or housing charges.

International Wire Transfers

International students can now make payments via international wire transfer. San José State University has partnered with Flywire to streamline the tuition payment process for our international students. Flywire offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by San José State.

SJSU or Flywire charges no fee for international wire transfers. The bank you use for sending wire transfers usually charges a fee, so check with that bank for its fee schedule.

Learn more at sjsu.edu/bursar/payment-refunds/methods-payment/international.php

Field Trip Fees

A few courses have additional field trip fees ranging from \$11 to \$52.

Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192. Parking permit information is available at sjsu.edu/parking

Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check and more securely. To enroll, log in to one.sjsu.edu and search for the Direct Deposit for Student Refunds tile by typing "direct deposit" into the search box provided. To learn more visit sjsu.edu/bursar

Bookstore Charges

Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to \$900 per semester. For more details visit sjsu.edu/bursar/our-services/spartan-bookstore-voucher.php

Keeping MySJSU Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its authorized agent, has the right to pursue collection efforts to repay a delinquent debt owed to the university.

VISA INTERVIEW INFORMATION

sjsu.edu/iss/new-students/pre-arrival/index.php

Complete Immigration Document Process

F-1 Visas

Coming from a U.S. Institution

To complete this process, you must show your admission letter to your current school's international office. Once your current institution sends your electronic I-20 document through SEVIS, you will receive a Transfer-Pending Form I-20 from SJSU.

Coming from Outside the U.S.

You will receive a U.S. Immigration Form I-20 directly from San José State electronically with your letter of admission. To start the application process for an F-1 student visa, first complete the I-901 form online through SEVIS at ice.gov/sevis/i901, then pay the SEVIS fee and print out the receipt. To obtain your F-1 visa, make an appointment for a visa interview and go to the nearest U.S. Consulate with the following:

- Your current passport
- SJSU admission letter
- Your I-20 (Certificate of Eligibility) form
- Proof (receipt) of SEVIS payment
- Proof of financial support
- DS-160 application form (ceac.state.gov/genniv)
- Other supporting documents, as indicated on the website of the U.S. Embassy or Consulate you will be visiting

For more detailed information on preparing for a visa interview, visit sjsu.edu/iss/new-students/pre-arrival/index.php

Customs and Immigration at the Airport

- Passport (must be valid for at least six months after the date of entry)
- F-1 visa stamp, valid at the time of entry
- Form I-20 must be valid
- Proof of financial support and resources reflected on Form I-20
- Tuition and/or Housing receipt(s), if you have made payments prior to your arrival
- SEVIS fee receipt

Canadian citizens are not required to apply for a visa to enter the U.S. as an F-1 student, but must still pay the SEVIS fee at least three business days before their intended travel date, and present their Form I-20 at the U.S. port of entry.

For more information on preparing for Customs and Immigration at the airport, visit sjsu.edu/iss/new-students/pre-arrival/visa-interview

Important Resources

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog (catalog.sjsu.edu) to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies

Students with Disabilities

The Accessible Education Center (AEC) offers academic-related accommodations and services to students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: Consideration for priority registration, note takers, sign language interpreters/captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however, it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC's website (sjsu.edu/aec) for more information.

Non-Discrimination Policy

Statement of Nondiscrimination

The California State University (CSU) is committed to maintaining an inclusive community that values diversity and fosters tolerance and mutual respect. CSU does not discriminate on the basis of sex or gender, which includes gender identity (including transgender), gender expression, sexual orientation or sex stereotype in its education programs or activities. The protection against discrimination on the basis of gender or sexual orientation includes sexual harassment, sexual misconduct, and dating and domestic violence, and stalking.

The Office for Title IX and Equal Opportunity is responsible for discrimination, harassment, and retaliation based on gender, as described above, as well as the oversight of compliance with non-discrimination, harassment, and retaliation based on Age, Disability (physical and mental), Genetic Information, Marital Status, Medical Condition, Nationality, Race or Ethnicity (including color or ancestry), Religion (or Religious Creed), and/or Veteran Status or Military Status, and other characteristics that make our community unique.
