

PHIL 110 section 82  
"Science, Technology, and Human Values"  
ASYNCHRONOUS ONLINE - Spring 2023

Lisa Bernasconi  
lisa.bernasconi@sjsu.edu

In this section of Philosophy 110 we will focus on two topics:

- In the first half of the semester, we will look at the tensions between Christianity and Science in 17<sup>th</sup> century Italy, 19<sup>th</sup> century England, and 20<sup>th</sup> century United States.
- In the second half, we will examine ways in which technology is and is not applied successfully to combat poverty and inequity.
- There will be several online readings and videos (no physical text required)
- You will demonstrate your understanding of the materials through essay exams and a short research project.

Prerequisite(s): Upper division standing and completion of A3, ENGL 1B, HUM 2B, or equivalent with a C- or better OR completion of WST or WST Self-Directed Placement (For more info, visit [sjsu.edu/wac/wst/students](http://sjsu.edu/wac/wst/students)). Or Graduate/PBAC standing.
