

Phil 057 Logic and Critical Reasoning

Spring 2024

Casey Smith

Section 4 Tuesday and Thursday 1200-1315

Section 5 Tuesday and Thursday 1330-1445

Section 6 Friday 1230-1515

DMH 208

This course satisfies the A3 lower-division GE requirement

In this course you will learn to diagnose problems in one's thinking and argumentation, and the reasoning of those around you.

Learn how Con Artists, Cults, Politicians, Advertisers, and others can use errors in reasoning to manipulate others, and how to identify and resist those tactics.
